

JULY 5, 2016 MIDYEAR RESIDENTS' INTERESTING CASE PRESENTATION

RESIDENTS' INTERESTING CASE	INSTITUTION
<p>1. Bilateral internal pudendal artery angiographic embolization of labial metastasis from gestational trophoblastic neoplasia <i>by Bernadette C. Yap, MD</i> First Place</p>	University of the Philippines – Philippine General Hospital
<p>2. A case report on ovotesticular disorder of sexual development 46, xy with malignant mixed germ cell tumor (yolk sac tumor, dysgerminoma, mature cystic teratoma) <i>by Tessa Mae J. Bonguyan, MD</i> Second Place</p>	Brokenshire Memorial Hospital
<p>3. Androgen Insensitivity Syndrome (AIS) <i>by Diana Iskandar, MD</i> Third Place</p>	Jose R. Reyes Memorial Medical Center

JULY 5, 2016 MIDYEAR RESIDENTS' RESEARCH PAPER PRESENTATION

RESIDENTS' RESEARCH PAPER	INSTITUTION
<p>1. Prognostic scoring index for intrauterine insemination success among Filipino couple <i>by Gladys Anne M. Bermio, MD</i> First Place</p>	St. Luke's Medical Center – Quezon City
<p>2. Comparison of the operative and post-operative outcome between episiorrhaphy with and without application of policresulen solution <i>by Ashmeir Q. Patetico, MD</i> Second Place</p>	FEU-NRMF Hospital
<p>3. Salivary Ferning as an alternative to sonographic follicle monitoring for determining ovulation: A comparative study <i>by Belmar T. Magno, MD</i> Third Place</p>	University of Santo Tomas Hospital

AUGUST 18, 2016 ANNUAL RESIDENTS' INTERESTING CASE PRESENTATION

RESIDENTS' INTERESTING CASE	INSTITUTION
<p>1. Beating the odds: A case report on the successful management of a Non-Immune Hydrops fetalis due to Hemoglobin Bart's Disease <i>by Maria Jane Ellise S. Javier, MD</i> First Place</p>	<p>The Medical City</p>
<p>2. Recognizing the link between Ovarian Teratoma and Autoimmune Encephalitis: A case report of Ovarian Teratoma-Associated Anti-N-Methyl-D-Aspartate Receptor Encephalitis <i>by Aubrey Y. Señeris, MD</i> Second Place</p>	<p>University of the Philippines – Philippine General Hospital</p>
<p>3. Vaginal Agenesis: A case report <i>by Reyalu T. Tan, MD</i> Third Place</p>	<p>Southern Philippine Medical Center</p>
<p>4. Successful management of uterine arteriovenous malformation by laparoscopic bilateral uterine artery ligation <i>by Katherine R. Matundan, MD</i></p>	<p>East Avenue Medical Center</p>
<p>5. Mixed germ cell tumor in androgen insensitivity syndrome: A case report <i>by Mary Grace M. Villafuerte, MD</i></p>	<p>University of the Philippines – Philippine General Hospital</p>
<p>6. Ovarian new growth creating a cutaneous fistula: A case report <i>by Glaiza S. de Guzman, MD</i></p>	<p>University of the Philippines – Philippine General Hospital</p>
<p>7. Transverse myelitis in pregnancy: A case report <i>by Katherine Abegail P. Galang, MD</i></p>	<p>St. Luke's Medical Center – Quezon City</p>
<p>8. Cervical pessary in the prevention of preterm birth: A case series <i>by Erika Gail G. Hernandez, MD</i></p>	<p>St. Luke's Medical Center – Quezon City</p>
<p>9. Evans Syndrome complicated by chronic hypertension with superimposed pre-eclampsia with HELLP syndrome in pregnancy: A case report <i>by Maria Cecilia C. Ching, MD</i></p>	<p>Quirino Memorial Medical Center</p>
<p>10. Hairy potty ovarian dermoid cyst with fistula to bladder <i>by Sheryl M. Deterala, MD</i></p>	<p>Bicol Regional Training and Teaching Hospital</p>

OCTOBER 27, 2016 ANNUAL RESIDENTS' RESEARCH PAPER PRESENTATION

RESIDENTS' RESEARCH PAPER	INSTITUTION
<p>1. An interim analysis on the predictive accuracy of strep B carrot broth kit versus lim broth in detecting group b streptococcus colonization among pregnant patients between 35-37 weeks age of gestation in a tertiary hospital <i>by Stephanie Anne Mae T. Cusi-Ong, MD</i> <i>First Place</i></p>	University of the Philippines – Philippine General Hospital
<p>2. Oral progesterone for maintenance tocolysis after arrested preterm labor: A Meta-Analysis <i>by Rose Ann S. Palma, MD</i> <i>Second Place</i></p>	The Medical City
<p>3. Awareness and practices on adult vaccination of obstetrician-gynecologists in the Philippines <i>by Jean Aileen M. Elauria, MD</i> <i>Third Place</i></p>	University of the Philippines – Philippine General Hospital
<p>4. The effectiveness of evening primrose oil gel capsule as a cervical ripening agent during labor induction as measured by bishop score on term singleton pregnant patients <i>by Nina Nonette Diansuy, MD</i></p>	University of the Philippines – Philippine General Hospital
<p>5. Cervical length measurement using an improvised cervicometer as a predictor of spontaneous preterm birth in uncomplicated pregnancies in a tertiary hospital in southern Luzon in 2015: A cohort study <i>by Melanie P. Mendoza, MD</i></p>	Batangas Medical Center
<p>6. A prospective cross-sectional analysis on the adherence to the four time-bound interventions of the essential intrapartum and newborn care program (EINC) in a private tertiary hospital in Metro Manila <i>by Ana Karina S. Ramirez, MD</i></p>	Makati Medical Center
<p>7. Intracervical foley catheter balloon versus oxytocin infusion as pre-induction cervical ripening agent in live pregnancies with unfavorable cervixes <i>by Charisse Dyan Castillo-Celabrados, MD</i></p>	James L. Gordon Memorial Hospital

2016 FELLOWS' RESEARCH PAPER PRESENTATION

RESEARCH PAPERS TITLE	INSTITUTION
<p>1. The Accuracy of Frozen Section of Uterine Lesions in the practice of Gynecologic Surgery. A retrospective assessment study in a government tertiary training hospital <i>by Jimmy A. Billod, MD</i></p>	Baguio General Hospital and Medical Center
