

APRIL 6, 2017 MIDYEAR RESIDENTS' INTERESTING CASE PRESENTATION

RESIDENTS' INTERESTING CASE	INSTITUTION
<p>1. Mullerianosis of the urinary bladder: First case report in the Philippines by <i>Jane Karla Garcia Cadavedo, MD</i> First Place</p>	<p>De La Salle University Medical Center</p>
<p>2. Embolization in abdominal pregnancy: A case report by <i>Jay Ian R. Argel, MD</i> Second Place</p>	<p>University of the Philippines – Philippine General Hospital</p>
<p>3. Idiopathic central precocious puberty: A case report by <i>Mariel Anne C. dela Rea, MD</i> Third Place</p>	<p>De La Salle University Medical Center</p>
<p>4. Recurrent hydatidiform mole with NLRP7 Mutation: The first confirmed case in the Philippines by <i>Martin Antonio B. Medina, MD</i></p>	<p>University of the Philippines – Philippine General Hospital</p>
<p>5. A case report on catamenial epilepsy by <i>Lara Jessica G. Murao, MD</i></p>	<p>Quirino Memorial Medical Center</p>
<p>6. Arteriovenous malformation: A review of 4 cases by <i>Anna Eloisa M. Dominguez, MD</i></p>	<p>Cardinal Santos Medical Center</p>

APRIL 6, 2017 MIDYEAR RESIDENTS' RESEARCH PAPER PRESENTATION

RESIDENTS' RESEARCH PAPER	INSTITUTION
<p>1. Knowledge, Attitude and Practice on human papillomavirus vaccination among obstetrics and gynecology residents in Metro Manila by <i>Katrina Immaculada F. Decena, MD</i> <i>First Place</i></p>	University of the Philippines – Philippine General Hospital
<p>2. Tubal ligation and salpingectomy and the risk of epithelial ovarian cancer: A case control study by <i>Cyriel Anthony I. Tingne, MD</i> <i>Second Place</i></p>	University of the Philippines – Philippine General Hospital
<p>3. Comparative efficacy of oral lactobacillus rhamnosus (protexin) against metronidazole (flagyl) in the treatment of bacterial vaginosis: A randomized clinical trial by <i>Marianne Rose L. Go, MD</i> <i>Third Place</i></p>	University of Santo Tomas Hospital
<p>4. Comparison of the efficacy of metronidazole and metronidazole plus probiotics capsule in the treatment of bacterial vaginosis among non-pregnant patients seen at the outpatient department of a tertiary hospital: A single blind randomized controlled trial by <i>Mary Rose Muñoz-Cruz, MD</i></p>	FEU-NRMF Hospital
<p>5. A retrospective study on the accuracy of sassone, lemer and IOTA simple rules in determining malignancy of ovarian masses in a tertiary hospital OB-GYN ultrasound diagnostic unit by <i>Arriane R. Morales, MD</i></p>	Manila Doctors Hospital
<p>6. Assessment of climacteric symptoms among Filipino women ages 40 years and above seen at a tertiary hospital in Metro Manila by <i>Krystle R. Calimbas, MD</i></p>	Manila Doctors Hospital

OCTOBER 6, 2017 ANNUAL RESIDENTS' INTERESTING CASE PRESENTATION

RESIDENTS' INTERESTING CASE	INSTITUTION
<p>1. Mycotic aneurysm in pregnancy: A case report <i>by Ma. Kristine Paula M. Nidoy, MD</i> First Place</p>	<p>Quirino Memorial Medical Center</p>
<p>2. Isolated metastasis from uterine cervix from primary breast carcinoma: A case report <i>by Joan Marice C. Toh, MD</i> Second Place</p>	<p>St. Luke's Medical Center – Quezon City</p>
<p>3. Spontaneous uterine rupture secondary to pyometra in a cervical cancer patient: A case report <i>by Maria Concepcion D. Cenizal, MD</i> Third Place</p>	<p>St. Luke's Medical Center – Quezon City</p>
<p>4. A dilemma in the management of fetal pleural effusion: A report of 2 cases <i>by Lilibeth Lim-Navarro, MD</i></p>	<p>Cardinal Santos Medical Center</p>
<p>5. Double trouble: A case of bilateral tubal pregnancy <i>by Christine Joy P. Chang, MD</i></p>	<p>Quezon City General Hospital</p>
<p>6. Severe malaria in a pregnant woman successfully treated with Artemisinin-Based Combination Therapy (ACT) <i>by Stephanie Marie S. Aquino, MD</i></p>	<p>Manila Doctors Hospital</p>
<p>7. Malignant mixed mullerian tumor: A case series <i>by Carla Lenice Arroyo Lee, MD</i></p>	<p>The Medical City</p>
<p>8. Carcinoid tumor arising in a mature cystic teratoma: A case report <i>by Katherine Abegail P. Galang, MD</i></p>	<p>St. Luke's Medical Center – Quezon City</p>

OCTOBER 25, 2017 ANNUAL RESIDENTS' RESEARCH PAPER PRESENTATION

RESIDENTS' RESEARCH PAPER	INSTITUTION
<p>1. The accuracy of the international ovarian tumor analysis (IOTA) simple rules in predicting malignant ovarian tumor with biopsy as the reference standard by <i>Jediza Jessa B. Balcita, MD</i> First Place</p>	Chong Hua Hospital
<p>2. Knowledge, Attitudes and Practices of health care providers in intimate partner violence screening in a private tertiary hospital by <i>Auran Rosanne B. Cortes, MD</i> Second Place</p>	The Medical City
<p>3. Impact of revised management policies on the efficacy of gynecologic operating room processes in a tertiary training hospital by <i>Glaiza S. de Guzman, MD</i> Third Place</p>	University of the Philippines – Philippine General Hospital
<p>4. A study on the knowledge and management practices of hypertension in pregnancy among midwives in the different public health centers of Cebu City by <i>Maria Carlyn Rodriguez-De Vera, MD</i></p>	Chong Hua Hospital
<p>5. Prevalence of urinary tract infection and antibiotic sensitivity among pregnant women having prenatal check-up at a tertiary in Manila by <i>Raissa Marie M. Tud, MD</i></p>	Ospital ng Maynila Medical Center
<p>6. Determination of the microbiologic flora on the inclusion site among obstetric patients who underwent surgical skin preparation with either 10% povidone iodine or 4% chlorhexidine antiseptic solution prior to cesarean section in a tertiary hospital by <i>Diana J. Cupino, MD</i></p>	University of the Philippines – Philippine General Hospital
<p>7. Establishing a threshold for endometrial sampling in post-menopausal women with an incidentally found thickened endometrium: A retrospective cohort study by <i>Patricia Ann A. Factor, MD</i></p>	University of the Philippines – Philippine General Hospital
<p>8. A randomized controlled trial: Comparison of malunggay (Moringa Oleifera) and ferrous sulfate in preventing anemia in pregnant patients in outpatient department of tertiary hospital (January 2013-July 2016) by <i>Diana J. Cupino, MD</i></p>	San Juan de Dios Educational Foundation, Inc. Hospital
<p>9. Awareness on and availment of Philhealth's maternity care benefits among selected patients of a tertiary hospital in Southern Luzon from February 2015 to February 2016 by <i>Joeima D. Bernardino, MD</i></p>	Batangas Medical Center

2017 FELLOWS' RESEARCH PAPER PRESENTATION

RESEARCH PAPERS TITLE

- 1. Using practical and dynamic models to teach and practice pelvic organ prolapse quantification (pop-q) exam to residents of gynecology**

by Ryan Joseph B. Lirazan, MD ; Joanne Karen S. Aguinaldo, MD and Liza T. Prodigalidad Jabson, MD
